

A hitchhiker's guide to digitalisation in Europe

The detour through Space

Moderation: Nathalie Stéphenne (Service Public de Wallonie)
Peter Zeil (Spatial Services, CopHub.AC)

Registration: <https://bit.ly/3e0Coa9>

Time	Description	Who
09:45	Welcome & Introduction to the civilian use of Earth Observation in European regions <i>Life, the Universe and Everything</i>	<ul style="list-style-type: none"> Nathalie Stéphenne (Service Public de Wallonie) Peter Zeil (Spatial Services, CopHub.AC)
10:00	Women in Copernicus Making women in the Copernicus ecosystem more visible	<ul style="list-style-type: none"> Nathalie Stéphenne (Service Public de Wallonie)
10:05	Introductory addresses <ul style="list-style-type: none"> Overview of the activities and needs of the European regions regarding Geo-Information Offers to support the activities of the regional administrations by Earth Observation/Copernicus 	<ul style="list-style-type: none"> Florian Herrmann, MdL (Head of the Bavarian State Chancellery, State Minister for Federal and European Affairs and Media, Member of the European Committee of the Regions, Region Bavaria) Franz Schausberger (European Committee of the Regions, Region Salzburg)
10:30	Introduction to the concept and functions of Copernicus Relays and the Copernicus Academy for the implementation of the European Space Strategy	<ul style="list-style-type: none"> Julien Turpin (European Commission, DG DEFIS)
10:45	Achievements and offers to support regions <i>And Another Thing</i>	<ul style="list-style-type: none"> Peter Zeil (Spatial Services, CopHub.AC)
10:55	CopHub.AC - supporting the Copernicus Academy	<ul style="list-style-type: none"> Barbara Riedler (University of Salzburg, CopHub.AC)
11:05	CoRdiNet - supporting the Copernicus Relays	<ul style="list-style-type: none"> Vidar Lien (Institute of Marine Research, CoRdiNet)
11:15	Break <i>The Restaurant at the End of the Universe</i>	<ul style="list-style-type: none"> Video / Music
	Digitalisation & Big Data from Space <i>Mostly harmless</i>	<ul style="list-style-type: none"> Nathalie Stéphenne (Service Public de Wallonie)
11:35	Roundtable discussions The Way forward - how to design supporting measures for the regions to better benefit from Earth Observation/Copernicus in decision making	<ul style="list-style-type: none"> Andres Jaadla (European Committee of the Regions, Region Estonia) Christoph Schröder (University of Malaga, CopHub.AC) Roya Ayazi (NEREUS, CoRdiNet) Bernardo de Bernardinis (Copernicus Academy coordinator Italy) Julien Turpin (European Commission, DG DEFIS) Monica Miguel-Lago (EARSC, CopHub.AC) Antonio Tabasco Cabezas (GMV, CoRdiNet) Francisco LWFM Macedo (Government Azores) Dimitrios Papadakis (Evenflow, CopHub.AC) Phil Monbet (Pôle Mer Bretagne Atlantique)
	<i>Recipes for the successful digitalisation by Earth Observation/Copernicus applications throughout European regions and industry sectors (Destination Earth, New Space)</i>	
12:45	Outlook <i>So Long, Thanks for All the Fish</i>	<ul style="list-style-type: none"> Nathalie Stéphenne (Service Public de Wallonie) Peter Zeil (Spatial Services, CopHub.AC)
12:50	Conclusion	<ul style="list-style-type: none"> Stefan Lang (University of Salzburg, CopHub.AC) Jürgen Vogel (bavAIRia, CoRdiNet)

5 Nov. 2020 | 9:45 - 13:00 h | Location: Virtual

These projects have received fundings from the European Unions Horizon 2020 research and innovation programme under grant agreement No. 821911 & 821952
